TEST #2, GRAPHIC DESIGN & DIGITAL MEDIA

TASK: Read Chapters 11 and 12 and use the prompts below to discuss each chapter. It will be packaged as a single report and uploaded to Oaks Dropbox.

Guidelines

- Include a simple cover page with your name, course number and name, instructor name, and assignment due date.
- Use a standard format of size 11 or 12 font with 1-inch margins. You may use double or single space.
- It is very important to use subheadings to separate sections. You may choose how many subheadings as they aid providing a good organization for the report.
- Your report is mostly to be written in a narrative format by responding to the prompts below. *So, please do not merely answer the questions.*

Using the report format, address each bullet point below:

Chapter 11 – Debugging

- Summarize the chapter in your own words. About 150-200 words will suffice for the summary alone.
- Of the four tips, what are **top two**? Please explain your reasoning for choosing those two.
- Of your **top two** techniques, find an article or book that recommends one of the same techniques. Properly cite your source and briefly reflect on what it says about the topic.

Chapter 12 – Libraries

- Summarize the chapter in your own words. About 150-200 words will suffice.
- What line of code is needed at the top of the program to import the following basic items?
  - A sound file
  - A video file
- What is your opinion of using contributed libraries? For instance, do you trust them? Find and cite a source that supports your opinion. *One possible search phrase is "Processing Programming third party libraries."*
- Use a video library and follow the directions below.
  - Make a video on anything at Harbor Walk or CofC main campus (About 15 seconds will do).
  - Write a program to play your recording in Processing. (You will not be required to submit the actual recording.)
    - In your written report, include a still screen-capture of the movie.
    - Also, paste the Processing sketch code you used to play the movie.

How to submit

Submit a single Word or PDF file in an assignment dropbox called **Test 2 Chapter Reports**.
The **due date is Thursday, November 19, 2026**.

Bonus 5 points

For an additional 5 points, you may also zip and upload your Processing file along with the video to the same Oaks dropbox.
